19th March, 2020

Guidelines for Visitors coming to DAE Hospital, Kalpakkam and Anupuram
including employees returning from abroad after official/personal trip.

In view of COVID – 19 pandemic and for the safety of patients and staff, we request you to limit visitors during visiting hours.

- ❖ For Inpatient (Wards) Visiting hours: morning 6.30am to 7.30am / evening 5.00pm to 7.00pm.
- ❖ People with fever, sore throat, cough, cold, diarrhea, or any contagious disease should not visit patients in the ward and advised to attend OPD for medical advise / treatment.
- ❖ Keep visits short and quiet to avoid unnecessary noise and to optimize patient rest.
- ❖ Owing to confidentiality, visitors may be asked to leave the room during examination or treatments or whenever the doctors/nurses consult with the patient.
- ❖ For preventive reasons, visitors and visiting time may be limited when the patient is in isolation.
- ❖ Sanitize their hands before and after visiting with soap and water/Alcohol based sanitizer kept at various location in the hospital.
- ❖ It is mandatory that any employee who returns from abroad / from affected area (COVID – 19) after official or personal trip should get medical clearance from DAE Hospital before joining duty and be self quarantined in home for 14 days **as advised by the doctor.**
